

TRANSPARENCY ALLIANCE LLC
350 FIFTH AVENUE, SUITE 4215
NEW YORK, NEW YORK 10118

The Chapter 11 Trustee for LPI has withheld \$156 million of investors' death benefits since he took over in January 2015. He hasn't needed all of this to run the estate, but he has kept it from you anyway.

The Transparency Plan will return every penny of these "post-petition maturity proceeds" on Day 1. It's your money, and you should have it right away.

The Joint Plan from the Trustee and Vida Capital doesn't promise to return anything more than the \$25 million that the Trustee borrowed last November. He says the rest of the money will be returned "soon," but he doesn't say how much, to whom, or when. And when it is finally paid, you'll only get 95% in cash.

The Transparency Plan is the only plan that guarantees you will get back all of your existing maturity proceeds on Day 1.

Furthermore, the Transparency Plan will bring your LPI investment experience to a close after 10 years. We'll use our life settlement investment expertise to obtain a good market price for the remaining policies and distribute 100% of the sale price, minus expenses. We'll take nothing from this sale.

In addition, under the Transparency Plan, Continuing Interest Holders who wish to keep their policies after 10 years don't have to participate in the sale.

On the other hand, the Joint Plan from the Trustee and Vida runs for 30 years, enabling them to collect an extra 20 years of fees. Transparency Alliance believes you're entitled to a definitive, less expensive and faster exit from LPI.

Now that you have a choice, be sure to vote for the Transparency Plan and against the Trustee/Vida Plan by no later than 11:59 p.m. Pacific time on August 23, 2016.
